EDUCATION

SCHOOL

Central Board of Education Student
Alwin School | 2005 - 2022

BACHELOR OF COMPUTER ENGINEERING

Course in Software Engineering
SRM University | 2023 - Present or 2027

EXPERIENCE

GOOGLE'S CYBERSECURITY

Course on Professional Cybersecurity - 6 months

Completing the Google Professional Cybersecurity Certificate has endowed me with a diverse skill set. I've gained hands-on proficiency in Python, SIEM tools, SQL, Linux, and IDS. The program also refined my problem-solving, communication, and continuous learning abilities, positioning me effectively for roles, such as a cybersecurity analyst, where these skills are invaluable.

TECHNICAL INTERN

Cherry Network+ 2023-Present

Developing several UI components including headers, navbars ,cards etc using NextJS Framework and TailwindCSS Styling and more
